Overall Length:

7.050 inches

Overall Height:

3.750 inches

Overall Width:

3.700 inches

Product Name:

Valve, orbital, steering

Special Features:

2, 500 psi max. System pressure. 200 deg. F. Max. System operating temperature. Cast iron housing, steel internal parts. Painted finish

Material:

Iron and steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A515v0
