Overall Width:

0.500 inches

End Application:

W/s usns stalwart class tagos

Component Identifying Number:

53711-6916191 software no.

Special Features:

Next higher assembly fc33 flag she

Color:

Gray

Material:

Aluminum

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
