End Application:

M939 family of vehicles includes m939a1, m939a2

Product Name:

Tube assembly steering gear to booster

Vehicle Design Control Activity:

19207

Special Features:

375 od x .028 wall prebent

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A515v0
