Overall Length:

14.500 inches

Overall Height:

4.240 inches

Overall Width:

3.110 inches

End Application:

Seawolf class ssn

Product Name:

Housing

Special Features:

Material alloy 632; next higher assembly esm door assembly

Material:

Copper alloy

Thread Size And Series/type Designator:

0.437-20-3b unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
