End Application:

Cons ground support equip

Size Designator:

7x8

Special Features:

Item iaw tire and rim association yearbook; material carbon steel 1020 hrq; diameter 9.17 inches ; nha rim, front wheel, assembly; surface pretreated, primed and painted iaw 1378as225, procedure i, color 34097 field green

Material:

Steel

Material:

Steel

Surface Treatment:

Paint

Supplementary Features:

When procuring be certain the mfr of this side ring (-2) matches the mfr for the load rin (-1) ; mfr must also match with mfr of base ring

Surface Treatment:

Painted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T307-b
