End Application:

W/s tractor, aircraft towing, mb4

Product Name:

Dese diaphragm, mineral oil

Special Features:

lused on 2590-01-494-0860 cap, filler opening. Used with mineral oil brake fluid. Material is nitrile rubber, 45 to 55 durometer. Similar to 2530-01-494-0861 which is use in silicone brake fluid system.

Material:

Rubber synthetic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515v0
