End Application:

Used on 2320-01-452-5579 truck, tractor

Cable Length:

150.000 inches

Travel Distance:

2.000 inches

Product Name:

Cable-5/16x138in., 5th wheel 2in. Stroke

Conduit Length:

145.000 inches

Special Features:

Used in transmission control-allison wtec-3, md3560p, 5-speed trans, lht-handle shifter, 24v dc; cable location, runs from cab along l.H. Frame rail to cross member behind engine; jacket material, polyethylene

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A501n0
