Pressure Rating:

5.5 pounds per square inch

Voltage In Volts And Current Type:

12.0 dc

Product Name:

Entire valve package rear axle

Special Features:

This valve assembly consists of 3 valves: relay valve (p/n 973 011 021 0), left abs valve (p/n 472 195 080 0), right abs valve (p/n 472 195 081 0). Goes on system configuration 4s/4m 6s/4m

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
