Overall Length:

8.500 inches

Overall Diameter:

6.500 inches

Product Name:

Jack head

Special Features:

Assembly consists of 1 part no. Std100098-51, material stainless steel bar 303s, qq-s-765, passivate finish and 1 part no. Std100098-50, material aluminum alloy bar 6061-t651, qq-a-225/8, finish iridite

Material:

Aluminum alloy and stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
