Flexible Conduit Material:

Plastic or steel

End Application:

B1b

Core Diameter:

0.187 inches

Cable Length:

55.500 inches

Flexible Conduit Outside Diameter:

0.590 inches

Product Name:

Pull only brake

Conduit Length:

46.250 inches

Special Features:

Right end open strap clevis, left end step strap clevis; flexible conduit material is plastic and steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A501n0
