Overall Height:

132.0 millimeters

Overall Width:

Between 89.3 millimeters and 145.4 millimeters

Product Name:

Track chain 40 link lubricated

Vehicle Identification Designator:

750j/850j dozer crawler

Special Features:

Pitch/links 203-4; bushing od 72.90mm; hole size 19.05mm; pin length 262.00mm; inside spread 145.40mm; outside spread 145.40mm; link height 132.00mm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A515v0
