Width:

1.400 inches

Overall Length:

1.700 inches

Thickness:

0.250 inches

End Application:

Maintenance and vhte instalation

Friction Lining Material:

Rubber, neoprene

Lining Style:

Rectangular block plain

Application Type:

Dry

Product Name:

Brake pad

Special Features:

Pad for wldi system mine countermeasure deployment vehicle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A230a0
