Body Material:

Aluminum

Overall Diameter:

1.750 inches

End Application:

Wench, model 700 and 800

Compressed Length:

3.000 inches

Bore Type:

Straight

Extended Length:

4.750 inches

Product Name:

Air cylinder

Special Features:

Body made of aluminum and rods made of steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A34200
