End Application:

Mrap - unique nsn - mrap no permanent wsdci identified

Drain Type:

End

End Shape And Location:

Convex both ends

Product Name:

Air pressure tank, wet

Special Features:

Working pressure, 125 psi

Material:

Aluminum

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T103-h
