**Function For Which Designed:**

General purpose

**End Application:**

Ht230 top mount suspension system

**Product Name:**

Roadside beam assembly

**Vehicle Design Control Activity:**

4q4k2

**Vehicle Identification Designator:**

Ht230

**Special Features:**

1 required per assembly

**Material:**

Steel and stainless steel

**Type/model Designation:**

Ta15-522 and ta17-522

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A515v0
