End Application:

Ht230 top mount suspension system

Product Name:

Curbside beam assembly

Vehicle Design Control Activity:

4q4k2

Vehicle Identification Designator:

Ht230

Special Features:

1 required per assembly

Material:

Steel or stainless steel

Type/model Designation:

Ta15-522 and ta17-522

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515v0
