Overall Length:

56.690 inches

Overall Height:

2.250 inches

Overall Width:

2.250 inches

End Application:

Special aircraft and engine tool and support equip/parts

Product Name:

Front axle weldment, running gear

Special Features:

Nha; 3922as102

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515v0
