End Application:

C5 se

Core Diameter:

0.14 inches

Cable Length:

84.75 inches

Flexible Conduit Outside Diameter:

0.35 inches

Product Name:

Cable assembly, brake

Cable Location:

Intermediate

Make/model/year:

P-300

Conduit Length:

79.0 inches

Special Features:

For use with philips/dexter electric brakes with parking feature; one end has an eye type connector and the other has a yoke type connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A501n0
