**Overall Length:**

2.240 inches

**End Application:**

General spt

**Unpackaged Unit Weight:**

0.362 pounds

**Product Name:**

Capnut inner rh

**Special Features:**

Standard for dual steel wheels, hardness per sae j-417, surface discontinuities per sae j1601 & j122

**General Description:**

Inner thread diameters 3/4-16", inner thread depth 1 1/4", outer thread diameters 1 1/8 - 16"

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
