Overall Length:

2.240 inches

End Application:

General spt

Unpackaged Unit Weight:

0.362 pounds

Product Name:

Capnut inner rh

Special Features:

Standard for dual steel wheels, hardness per sae j-417, surface discontinuities per sae j1601 & j122

General Description:

Inner thread diameters 3/4-16", inner thread depth 1 1/4", outer thread diameters 1 1/8 - 16"

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
