Overall Length:

22.25 inches

Body Diameter:

1.0 inches

Body Width:

0.219 inches

End Application:

F15 se

Construction:

Tubular

End Connection Type:

Eye single end

Bend Quantity:

1

Product Name:

Tie rod, left

Special Features:

Left side

Material:

Steel

Material Specification:

Astma-513 assn standard all material responses

Shape:

Bent

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T307-m
