Mounting Hole Type:

Thru hole

Mounting Method:

Threaded

End Application:

2330-01-303-8832; semitrailer, tank transporter

Component Document Origin:

Industrial

Document Type:

Engineering drawing

Product Name:

Steering plate assembly

Vehicle Design Control Activity:

98255

Vehicle Identification Designator:

M1000

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
