Body Style:

Multiple connection

First End Connection Type:

Threaded internal pipe

End Application:

2355-01-559-0791, mine resistant vehicle

Product Name:

Spring brake modulating valve

Special Features:

Mounting studs: 2 each thread 3/8-16, length: 0.94 inches, control port: 1/4 inch npt, balance port: 1/4 inch npt.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07100
