Special Features:

Additional information may be obtained from drawing 10949935 fscm 19207

Material:

Aluminum alloy, qq-a-250/6, alloy 5083

Material:

Aluminum alloy 5083

Material Specification:

Qq-a-250/6, alloy 5083 federal specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T312-b
