Overall Width:

11.625 inches

Overall Thickness:

1.000 inches

End Application:

2320-00-440-8308

Nominallength:

17.125 inches

Special Features:

Side, upper application

Material:

Fiberglass

Material Specification:

Mil-1i-22023 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51100

Mil-std (military Standard):

Mil-1i-22023 spec.
