Overall Width:

2.250 inches

Overall Thickness:

0.500 inches

Nominallength:

21.000 inches

Special Features:

2-4 military coating topside, 2 notches 1 side

Material:

Plastic

Material Specification:

Mil-p-15280 military specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51100

Mil-std (military Standard):

Mil-p-15280 spec.
