#### **Overall Width:**

2.250 inches

### **Overall Thickness:**

0.500 inches

# Nominallength:

21.000 inches

#### **Special Features:**

2-4 military coating topside, 2 notches 1 side

#### Material:

Plastic

#### **Material Specification:**

Mil-p-15280 military specification all material responses

#### Shelf Life:

N/a

#### Unit Of Measure:

--

#### Demilitarization:

No

# Fiig:

A51100

## Mil-std (military Standard):

Mil-p-15280 spec.
