Mounting Hole Thread Direction:

Right-hand

Connection Thread Size:

0.125-27

Design Type:

Oscillating arm

Manual Operation Facility:

Not provided

Mounting Hole Thread Size:

0.190-24

Connection Thread Location:

Internal

Valve Type:

Integral

Mounting Method:

Threaded body

Speed Type:

Variable

Control Valve:

Provided

Throw Angle In Deg:

135.0

Connection Fitting:

Not included

Mounting Hole Thread Series Designator:

Unc

Connection Thread Series Designator:

Npt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T239-a
