Special Features:

Material temper: h111, item consists of; angle p/n 12299254-1, angle p/n 12299254-2, angle p/n 12299254-3. Additional information may be obtained from drawing 12299254, cage 19207

Material:

Aluminum alloy, qq-a-200/4, alloy 5083

Material:

Aluminum alloy 5083

Material Specification:

Qq-a-200/4, alloy 5083 federal specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T312-b
