Mounting Type:

Support

Overall Length:

55.820 inches

Overall Width:

21.750 inches

Furnished Items And Quantity:

Screws, 20; washer, 16; nuts, 20; reinforcements, 2; support brackets, 2

Design Type:

Metal w/rubber flap

Mounting Attachment:

Included

Special Features:

Rubber portion 0.190 in thick; reinforcements 0.673 in thick

Color:

Green, forest

Material:

Steel, qq-s-698

Material:

Steel comp 1008 or steel comp 1009 or steel comp 1015 or steel comp 1018 or steel comp 1020 or steel

Material Specification:

Qq-s-698 federal specification single material response

Surface Treatment:

Enamel

Shape:

Convolute

Surface Treatment:

Enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T312-w
