Overall Width:

9.688 inches

End Application:

2350-01-136-8738

Nominallength:

10.312 inches

Special Features:

Irregular shape

Material:

Glass fiber or fiberglass

Material Specification:

Astm c800 type 1, gr b, cl 5 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51100
