Mounting Type:

Support

End Application:

2350-01-369-6081

Swivel:

Not included

Special Features:

Item furnished with bracket, bumper.Nut inserted.Welding plate support, clip.

Material:

Aluminum alloy, qq-a-250/6, alloy 5083, h323

Material:

Aluminum alloy 5083

Material Specification:

Qq-a-250/6, alloy 5083, h323 federal specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T312-b
