Mounting Type:

Bolt down

End Application:

W/s code hmmwv

Furnished Items And Quantity:

Bolts, 3; washers, 3; spring nuts, 3

Mounting Attachment:

Included

Product Name:

Splash shield assembly, lh

Special Features:

Next higher assembly nsn 2320-01-412-0143, truck, utility

Shape:

Convolute

Supplementary Features:

This note added for rev. C of drawing, date 00-01-12: fasteners shall be finished iaw 12469117 rather than finish designated for the standard part number.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T312-w
