Wall Thickness:

0.0625 inches

End Application:

2320-01-447-6343 truck, cargo; family of medium tactical vehicles-light

End Item Source:

19207

Design Form:

Prebent

End Item Name:

Truck, cargo

End Item Model Number:

87t0058

Usage Location:

Exhaust pipe

Outside Diameter:

2.000 inches

Nominallength:

24.650 inches

Special Features:

Pipe has a 95 degree bend which starts 17.934 inches from long end and ends 8.428 inches from the short end

Material:

Stainless steel

Surface Treatment:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500u0
