Wall Thickness:

0.0625 inches

End Application:

2320-01-447-6343 truck, cargo; family of medium tactical vehicles-light

End Item Source:

19207

Design Form:

Prebent

End Item Name:

Truck, cargo

End Item Model Number:

87t0058

Usage Location:

Exhaust pipe

Outside Diameter:

2.000 inches

Nominallength:

36.000 inches

Special Features:

Pipe has 2 bends, one starting 12.500 inches from right end at 80 degrees and the other starting 23.5 inches from first bend at 50.003 degrees

Material:

Steel

Surface Treatment:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500u0
