Mounting Type:

Bracket and hole

End Application:

W/s designator family of medium tactical vehicles-medium

Design Type:

Metal

Product Name:

Extension, gravel deflector

Special Features:

Item is made of sheet steel. Surface treatment iaw 12420325, pretreated, primed, painted and carc top finish. Next higher assembly 2310-01-353-9098, chassis, truck, p/n 8750211.

Surface Treatment:

Paint

Shape:

Irregular

Supplementary Features:

Item is made of 3 individual pieces: p/n 12422489-001, 12422489-002 and 12422489-003

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T312-w
