**Overall Length:**

33.280 inches

**Overall Height:**

2.620 inches

**Overall Width:**

2.000 inches

**End Application:**

2320-01-380-8604, truck, utility; w/s designator truck vehicle system, 1-1/2 ton hmwv

**Special Features:**

Surface treatment iaw drawing 12369001, carc, paint and primer; color green 383 chip number 34094 per fed-std-595. Modified from part number 12447012, nsn 2540-01-444-6642, by cut-out starting 8.65 inches from left end of piece. Material is aluminum alloy sheet 6010-74

**Color:**

Green

**Material:**

Aluminum alloy

**General Description:**

Mounts on dashboard to diffuse air coming from heat/ventilation ducts

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23900
