Mounting Type:

Bolt down

Overall Length:

435.0 millimeters

Overall Width:

165.0 millimeters

Overall Thickness:

3.5 millimeters

End Application:

2320-01-447-6345; w/s fmv

Furnished Items And Quantity:

Nuts, 9

Design Type:

Metal

Mounting Attachment:

Included

Product Name:

Splash shield, upper

Special Features:

Material galvanized iaw astm a653, and topcoated iaw drawing number 12420325, cage 19207. Next higher assembly is p/n 12422846.

Color:

383 green

Material:

Steel

Material:

Steel

Surface Treatment:

Zinc

Shape:

Convolute

Surface Treatment:

Galvanized

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T312-w
