End Application:

2310-01-372-3934 truck, ambulance

Nominallength:

11.000 inches

Special Features:

Insulation, thermal, cellular, elastomeric, flexible, preformed. 1.38 id x .38 wall.

Material:

Plastic

Material Specification:

law astm c534, type 1 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51100
