Mounting Type:

Bracket

End Application:

5420-01-430-5403 bridge launching carrier; w/s abrams tank

Design Type:

Fabric reinforced rubber

Mounting Attachment:

Included

Product Name:

Cover

Special Features:

This is an asymmetric box, open on one side, that is constructed from 6 armor steel plates welded together; two tabs with slots are welded on to provide mounting facility

Color:

Tan

Material:

Steel, mil-a-12560

Material:

Steel, mil-a-12560

Shape:

Irregular

Supplementary Features:

Surface is paint iaw 19207-12344344; final finish is non-slip paint iaw 19207-12345756

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T312-w
