End Application:

2541-01-561-0929; bpup-lav-ma2

Product Name:

Spall, internal commander area

Special Features:

Weight 5.5kg, material composite, finish mil-prf-22750 epoxy high solid top coat, seafoam green iaw fed-std-595, colhip number 24533

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Mil-std (military Standard):

Mil-prf-22750 spec.
