Fabrication Method:

Solid

Width:

28.6 millimeters

Thickness:

3.2 millimeters

Length:

50.4 millimeters

End Application:

2355-01-539-3589; light armored vehicld, lav-c2a2

Product Name:

Rubber floor pad

Color:

Black

Material:

Rubber

Material:

Rubber

Shape:

Rectangular

Specification Data:

Asme y14.100 professional/industrial association specification and mil-std-130, mil-r-6855 government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T259-c
