End Application:

2350-01-390-4683

Product Name:

Compression latch

Vehicle Design Control Activity:

06085

Vehicle Year(s):

1994

Special Features:

Material is steel, finish is zinc, mounting hole diameter 0.160inches, tension range is 30-50lbs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A51200
