End Application:

Boat, mpf uti

Length:

60.0 inches

Webbing Width:

47.0 millimeters

Personnel Capacity:

1

Adjustability:

Adjustable

Adjustment Maximum Length:

60.0 inches

Fastener Material And Location:

Steel, stainless latch

Belt Type:

Lap

Installation Method:

Permanent anchorage

Product Name:

Non-retractable lap belt, lift latch model 1800.

Color:

Black

Material:

Stainless steel latch

Special Test Features:

Meets federal motor vehicle safty standards 209 & 302

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T312-d
