Wall Thickness:

0.065 inches

End Application:

2355-01-559-0791, 2355-01-549-5271, mine resistant vehicle

End Item Source:

076m6

Design Form:

Prebent

End Item Name:

Tailpipe, exhaust

End Item Model Number:

Mine resistant vehicle

Usage Location:

Exhaust pipe

Outside Diameter:

5.0 inches

Nominallength:

35.82 inches

Product Name:

Tailpipe, exhaust

Material:

Stainless steel

Material Specification:

Type 40 (uns s40900) , specification astm a 268, 5.0 inches od x assn standard all material responses

Unpackaged Unit Weight:

12.92 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500u0
