Overall Width:

774.0 millimeters

Overall Thickness:

15.0 millimeters

End Application:

2355-22-622-7966; mine clearing vehicle

Mounting Method:

Adhesive

Mounting Position:

Rear and left side

Nominallength:

781.0 millimeters

Product Name:

Insulation, rear left

Material:

Plastic chlorinated polyvinylchloride facing

Shape:

Irregular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51100
