Overall Width:

29.067 inches

End Application:

2355-01-559-0791; mine resistant vehicle

Flexible Cellular Material Class:

Class 1

Flexible Cellular Material Grade:

Grade c

Mounting Method:

Adhesive tape

Mounting Position:

Cab

Layer Environmental Protection:

Fire resistant

Covering Location:

Inner

Nominallength:

6.070 inches

Product Name:

Rg33 firewall blanket

Material:

Stainless steel and aluminized fiberglass and glass fiber and wool

Surface Treatment:

Primer and silicon

Shape:

Irregular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51100
