Overall Length:

35.75 inches

Overall Width:

1.38 inches

Mounting Hole Quantity:

5

Mounting Hole Type:

Thru hole

End Application:

2350-01-577-0830, howitzer, medium, self-propelled

Document Type:

Military drawing

Usage Design:

Combat vehicle

Document Identification:

19200/13048702

Product Name:

Guide

Height:

1.78 inches

Material:

Plastic

Material Specification:

Polyoxymethylene, iaw astm d4181, pom-142 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
