Overall Length:

3.0 inches

Mounting Hole Diameter:

0.422 inches

Mounting Hole Quantity:

1

Mounting Hole Type:

Threaded

Mounting Method:

Bolted

End Application:

2355-01-616-9288, mine resistant vehicle

Usage Design:

Combat vehicle

Document Identification:

19207-12590656

Product Name:

Round, latch stud

Vehicle Identification Designator:

M1270

Special Features:

Diameter: 1.0 inches

Material:

Steel

Material Specification:

Steel round, iaw astm a108 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
