Overall Length:

33.8 inches

Overall Width:

32.5 inches

End Application:

2355-01-616-9288, mine resistant vehicle

Document Type:

Military drawing

Usage Design:

Combat vehicle

Document Identification:

19207-12590652

Mounting Position:

Right side

Product Name:

Strut rh weldment

Color Chip Number:

33446

Color:

Tan, 686a

Material:

Aluminum alloy 5052

Material Specification:

5052-h32, iaw astmb209 assn standard all material responses

Surface Treatment:

Carc (chemical agent resistant coating)

Surface Treatment Specification:

Fed-std-595 federal standard all treatment responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
